ANGEL MAJESTY SERVING AND BOWSTRING MATERIAL

BCY options

Effective January 1 2022, BCY will no longer be distributing Angel Majesty products.

Angel is made in Japan and for years, deliveries have been very unreliable, resulting in upset customers.

BCY Bowstring is manufactured in Connecticut USA and, despite occasional delays, we pride ourselves in customer service.

We can't do that with Angel Majesty.

BCY options are available. Please check.

We assume Angel will make alternate arrangements to distribute their material.
